About the Project

The project Passion ESL (Erasmus+ - KA2: Strategic Partnership | School) aims to create an innovative integrated school educational approach which will improve teaching and learning performance, inclusiveness and equity of pupils at risk of early school leaving, through using therapeutic methods into educational activities and ITC tools.

The therapeutic methods which are taken into consideration by the project in the educational activities are among the following ones: expressive therapy (art therapy, dance therapy/movement therapy, drama therapy, psychodrama, melotherapy, writing and bibliotherapy, photo/video-based therapy), emotion focused therapy, group therapy, colour and chromotherapy, game therapy, applied behavioural analysis (ABA), Cognitive Behavioral Therapy, Occupational Therapy, speech therapy and others.
